KISH ISLAND

The Host of KISHINVEX®

➤ The Venue – Why Kish Island?

Kish Island with an area of about 91 Km, is located in southern part of Iran and in northern part of Persian Gulf. Kish Island was ranked among the world's 10 most beautiful islands by The New York Times in 2010, and is the fourth most visited vacation destination in Southwest Asia. Foreign nationals wishing to enter Kish Free Zone from legal ports are not required to obtain visa prior to travel. Unique advantages of Kish Free Zone that makes it the perfect venue for holding conferences and exhibitions:

- More than forty 4- and 5-star hotels
- World-class international convention and exhibition center
- Tourism enormous attractions
- Access to world free waters
- No need to visa for foreign visitors
- Independent air lines and shipping lines
- High level of social security and peace and low rate of social disorders
- Appropriate intercity transportation facilities
- Access and closeness to international ports and cities like Dubai, Sharjah, Manama and Doha

All these reasons have provided a perfect place for KISHINVEX® event to be taken place. Kish Island has

been the host to KISHINVEX® for 10 years. Based on

all the data and feedbacks during all these years, there could be no place better than Kish, away from the hustles and bustles of the capital.

➤ Story of KISHINVEX®

The first KISHINVEX® was held in 2014, when we had depicted long-term goals in the Kish Free Zone, with the cooperation of sophisticated international advisors to present investment opportunities of a unique and great emerging market, called Iran. Our strategy was not only to create a convenient environment for exhibitors and visitors to meet with the decision makers and authorities of Iran financial market and industries but also to focus on content to help our participants keep up with latest trends and changes which is happening worldwide with holding different educational workshops and summits on Iran Capital Market.

Since 2014, KISHINVEX® has tried to present an enhanced image of Iran's capabilities and potentials in international scales and pave the roads to present a proper picture of how to invest in Iran. As the biggest economic event of Iran in the private sector, KISHINVEX® has gathered the pioneers of Iran's economy from different sectors; Exchange, Banking, Insurance, Energy, Construction & Infrastructure, Transportation, Logistics, Tourism, KBOs and Iran's Free Trade, Industrial and Special Economic Zones. KISHINVEX® has provided this platform to facilitate and utilize investment in projects and reach its main goal which is the economic development of Iran.

➤ KishINVEX® 2023 Keynote Speakers Quotes:

Hossein Abdo Tabrizi

Scientific Secretary of KISHINVEX

As the Scientific Secretary of the 10th anniversary KISHINVEX meetings, I am proud to share the significant changes in the content and focus of our events. This year, we have enhanced our emphasis on presenting the latest financial products and services while fostering interactions among financial community members. Our goal is to provide participants with more prosperous and insightful experiences through our conferences and meetings.

Malek Rahmati

President & Deputy Minister of Economic Affairs

All financial market sectors, including banking, stock exchanges, insurance, and privatization, have convened at KISHINVEX to underscore that investment is the essential path for the country's growth and development.

Majid Eshghi

Securities and Exchange Organization chairman

During the past decades, the capital market's role in financing the country's economy was fragile, but fortunately, with the approval of the Securities Law in 2004, its role has become more robust. KISHINVEX will help develop financial issues through the capital market.

Ali Ostad Hashemi

President of Central Insurance of Iran

It is commendable that the head of Central Insurance of Iran values the international interactions fostered through events such as KISHINVEX and the partnerships with BRICS member countries and neighboring nations. This represents a significant step towards enhancing international cooperation in the insurance sector.

Amir Taghilkhan Tajrishi

Board Member, CIO at Turquoise Partners

Bonds and their financing through the capital market are particularly appealing, and we have observed a significant increase in acceptance over the past decade. We can achieve substantial and positive outcomes by addressing these critical issues at KISHINVEX and engaging with fellow managers and experts.

Masoud Nili

University professor and economist

The specialized meetings at KISHINVEX address a wide range of compelling and diverse topics. When a group of economic managers thoroughly examines and concludes these topics, they have the potential to yield significant benefits for the country's economic development.

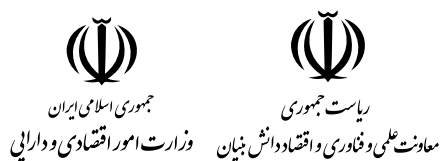

Saeed Eslami Bidgoli

The conceptual and diverse financial topics presented at the KISHINVEX event, recognized as one of the most impactful economic events in the country, constitute one of the most engaging aspects of this gathering.
